*luxury by nature \*\*\*\*\**

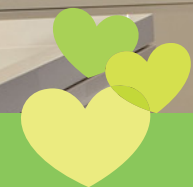

**Sea Star Boutique Hotel** offers sweeping views of Camps Bay, Lion's head and Table Mountain, a refined distance from the buzz of the strip. Only 15 minutes from the CBD and conveniently accessible from Camps Bay drive, this boutique hotel offers 3 suites, an infinity pool, jacuzzi and private plunge pool.

Roche Bobois chairs and enormous Tretchikoff prints complement the spacious interiors. Sit and sip a glass of Sea Star wine (cultivated in Franschhoek) looking over the infinity pool to the sea.
