

SUMMERFIELDS ROSE RETREAT & SPA | SABIE ROAD HAZYVIEW MPUMALANGA 1242

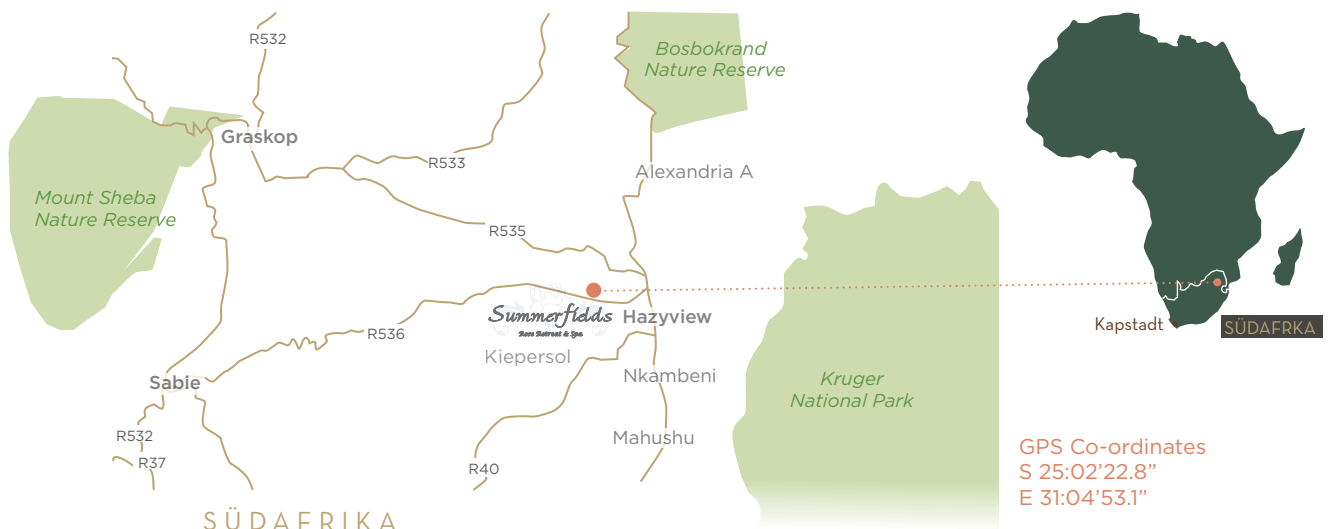

**Summerfields Rose Retreat and Spa** includes 11 secluded Tented Suites, a new Luxury Suited Tent, a Forest Suite, an award-winning restaurant and a sumptuous spa. Our farm comprises 100 acres of rolling hills, with orchards of macadamia and litchi trees and granadilla plantations, only a few minutes from the Kruger National Park.

Attention to detail is evident in every rose-variety suite, with specially designed furniture, percale linen and the tantalizing fragrance of fresh cut roses from the farm. All units are air-conditioned with additional roof fans, have double vanities, an outdoor shower and luxury bath, are stocked with quality toiletries and have a private fridge for the comfort of our guests.

At **Summerfields** the emphasis is on comfort, relaxation and romance. We aim to do anything that we can do to make your stay special. Our staff, from the front office

and housekeeping staff to the kitchen staff, are formally trained. We give you the privacy that's so important, while always being available to attend to your needs. Every effort has been made to ensure that your stay at **Summerfields** is as worry free and restful as it can be.

Duke Gin is also produced on our **Summerfields Estate**. From farm to bottle, the entire process is carried out on the farm to make sure that Duke Gin is pure, clear and sumptuous. Even the botanicals that give Duke Gin its distinctive taste are mostly grown at **Summerfields**.
